Our President Says

A lot of fun can be had reading about radio history. When I was in college I spent many an evening in the library reading issues of QST dating back to the twenties and before. At that point I wasn't even a ham myself yet.

Many of us are relative newcomers to Amateur Radio. Perhaps, like me, some of you would like to read about the old days - days when 100 meters was considered 'ultra short wave'. If so you may be interested in a couple of resources available.

Henry Freedenberg and Bob Grady have each donated back issues of QST and other magazines to the club. We plan to bring them to meetings and make them available. Thanks to Henry and Bob for this generous gesture.

Another resource is the Fondren Library at Rice University. They have a variety of magazines (bound into books) in the basement. For example, I recently read several issues of "The Wireless World and Radio Review" from 1924. This British magazine contains delightful illustrations and articles from the early days of Radio.

Good News! Thanks to Bill Hickox, K5BDZ, we have confirmed reservations for our HamFest at the Deauville Mall on September 12, 1987. Jack, WN5A, and Robert, N5JKD, are hard at work on the details. We will need help particularly on the day of the event to manage the space. Remember, it is an outdoor event in a parking lot, so the more the merrier.

Our Saturday license examinations will be changing locations in September. We are almost confirmed at the new location as I write this, but not quite so we'll have to spread the word later. Stu Lamkin, WB5IGG, 777-3345 is our contact for this and other ham radio events.

I have received a number of enquiries concerning our participation in this year's Houston Ham Convention, so would like to recap the status for the record. BVARC has sent a proposal to Houston Ham Conventions offering to Work either the swap meet or the license examination sessions. As this is being written, I have not received any reply, but it's only reasonable to expect the Ham-Com staff to work on the planning a while before replying.

ARRL THANKS ITS VOLUNTEERS

"On the occasion of the 1987 National Volunteer Week, April 26 through May 2, the members of the ARRL Volunteer Resources Committee and the rest of the ARRL official family and staff offer their heartfelt thanks to the thousands of League Volunteers who are the heart and soul of the American Radio Relay League. From the thousands of participants in the ARRL Field Organizations to ARRL Instructors, clubs, Volunteer Examiners, and the many others who make our service vital, we want each and every volunteer who gives his time and effort for the benefit of his community and fellow hams to know that his sacrifice is truly appreciated. We are privileged to serve with you and look forward to yet another tremendous year of service and fellowship. Thanks and 73."

VOLUNTEER EXAMINER TEAM RECOGNIZED

B-VARC sponsored the ARRL's Amateur Radio Examinations that were held on Tuesday, July 14, 1987 at Tex Comm Center in Houston:

V.E. Team and Assistants:

Jack Van Demark, WN5A
George Jolly, ND5E
Ray Dillard, WA5F
Harold Parker, ND5F

Thirty six tests were administered during the evening to eighteen applicants. Of those, sixteen upgraded their license with twenty three elements passed. The overall passing rate for the evening was sixty four percent.

Congratulations to all those who passed exams and upgraded!

Thanks to everyone for all the help, especially Jodie, N5HQM and Linda, N5KHO for providing the test site and hosting the tuesday night exams every month.

Harold Parker, ND5F

THANKS FOR YOUR HELP

To Remember Me

The Day Will Come when my body will lie upon a white sheet neatly tucked under four corners of a mattress located in a hospital busily occupied with the living and the dying. At a certain moment a doctor will determine what my brain has ceased to function, and that, for all intents and purposes, my life has stopped. When that happens, do not attempt to instill life into my body by the use of a machine...and don't let this be called my death bed. Rather, let it be called my bed of life and take my body from it to help others lead fuller lives.

Give my sight to the man who has never seen a sunrise, a baby's face, or love in the eyes of a woman. Give my heart to a person whose own heart has caused nothing but endless days of pain. Give my blood to the teenager who was pulled from the wreckage of his car so that he might live to see his grandchildren play. Give my kidneys to one who depends upon a machine to exist. Take my bones, every muscle, every nerve fiber in my body and find a way to make a crippled child walk. Explore every corner of my brain, take my cells if necessary, and let them grow so that someday a speechless boy will shout at the crack of a bat, and a deaf girl will hear the sound of rain against her window. Burn what is left of me and scatter the ashes to the four winds to help the flowers grow.

If you must bury something, let it be my faults, my weaknesses and all my prejudice against my fellow man. If, by chance, you do wish to remember me, do it with a kind word or deed to someone who needs you.

If you do all that I have asked, I will live forever.

ABOUT THE BRAZOS VALLEY AMATEUR RADIO CLUB

Organized in 1977, the club has been growing steadily. It is a gathering place for ham radio operators in Southwest Harris and Ft. Bend Counties and surrounding communities. It is a general purpose type of ham club offering a variety of activities open to all interested persons. Membership is open, not only to licensed ham operators but also to anyone interested in the hobby. In addition to regularly scheduled monthly membership meetings, the club conducts classes leading to amateur radio licenses each year and sponsors a volunteer examiner team which offers examinations in all levels of ham licenses each month.

For more detailed information about the club and any of its activities, call Stu Lamkin WB5IGG at (713) 777-3345.
