B-VARC General Meetings
are now on the second Thursday
of each month!!!

Board of Directors Meetings
are on the first Thursday
of each month.

Many thanks to John Moore for printing this month's issue and to Claude Sessions for production.

Board of Directors:

Kevin Foto, President - KD5O, alpine@wt.net
Claude Sessions, vice-president - K5HFY, claudes@juno.com
Bill Allen, Recording Secretary - KD5IUU, william_allen@csicontrols.com
John Whiteman, Corresponding Secretary - K5LKJ, jw@heatingtapes.com
Rex Ritz, Treasurer - KC5EEU, icrex@yahoo.com
Robert Moore, 1-Year-Director - KK5UO, kk5uo@hal-pc.org
Mike Hardwick, N5VCX, 2-Year-Director, n5vcx@worldnet.att.net
Paul Gray, 3-Year-Director - N0JAA, n0jaa@aol.com
Larry Jacobson, Past President - K5LJ, k5lj@nstci.com

Notes from the President - January 2000

Prez Sez,

I would like to wish all B-VARC members a Happy New Year. As you are probably already aware, I have decided to take up the post as President. I did so in spite of my limited time because I feel strongly in the merits of our existence as a club. I am relatively new to the club, joining after taking my Technician+ exam in August '98. I have never held an office before so this is all new to me. I hope to perform the task as B-VARC President in keeping with my predecessors. Claude Sessions has taken my place as Vice President.

The annual awards banquet was held on Friday, January 5th. I was unable to attend but I am told that everyone enjoyed the event. There were 49 people in attendance. Mike Hardwick received the Order of the Key Award. The Dr Bill Award was presented to John Moore. Sam Wilson received the Loop and Zepp Award and Special Appreciation was awarded to Cameron Mitchell.

In this new year I would like to continue to foster the great fraternity of amateur radio by spreading the word about our hobby in the public schools and through public service events. With the new satellites, the International space station and the 11 year solar peak, it is a very exciting time to be in Amateur radio. I will work with the board to come up with some interesting technical programs for this years meetings. If anyone has any thoughts on the subject, please come forward. I am always open to suggestions.

Please make note of the schedule changes. Our monthly board meetings will be on the first Thursday of the month with the general membership meeting on the second Thursday of the month. Our February program will consist of a discussion on Grounding followed up with an update to the previous PSK31 program. Claude Sessions will also be there to take orders for club caps, T-shirts, patches and jackets. I hope to see you all at the meeting!

Thanks and 73,

Kevin KD5O

SCHEDULE OF BVARC Activities

VE Sessions Change of Location:

The ARRL VEC amateur license tests which are given by B-VARC on the second Tuesday of each month has been moved to:

**Houston Community College,
Scarcella Technology Center, Room W106
10141 Cash Road, Stafford, TX**

- Houston Marathon Houston January, 2002 130 Carl Hacker

Here is the calendar of public service events for 2001. As the dates become final, I will update the calendar. If you are interested in putting on together, let me know and I will get you with the event coordinator. This is one of the best ways to promote amateur radio and the more that we are in the public's eye the better. I saw a letter to the editor in the Chronicle today talking about how CB radio was helping keep San Salvadorians in the US in contact with their family back home (I wonder if he was talking about amateur radio and just didn't know the difference or what). If we enjoy our hobby and would like to keep it, we need to provide a reason for its use.

Let me know if you would like to work and event this year.

Thanks,
Mike Hardwick
N5VCX

RAZOS VALLEY AMATEUR RADIO CLUB
Board of Directors Meeting - January 4, 2001

Past President Larry Jacobson called the meeting to order at 7:40pm. There was a quorum with the members present.

Those in attendance were:

Past president - Larry Jacobson, K5LJ
treasurer - Rex Ritz, KC5EEU
corresponding secretary - John Whiteman, K5LKJ
3-year director - Paul Gray, N0JAA
2-year director - Mike Hardwick, N5VCX

HOUSTON
AMATEUR RADIO
SUPPLY, INC.

GEORGE DILETTO, K0BRW
PRESIDENT

EXT 98 1-45 NORTH	800 471 7373
181 CYPRESSWOOD DRIVE	281 355 7373
SPRING, TX 77388	FAX 281 355 8007

Those not in attendance were:

Recording secretary Bill Allen - KD5IUI
1-year director Robert Moore - KK5UO

Visiting:

Claude Sessions - K5HFY.
Cameron Mitchell - K5CAM
Irv Smith - KK5QQ

Minutes taken by Mike Hardwick.

Motion made to table approval of December meeting minutes since the recording secretary was not there. Corresponding secretary report by John Whiteman with information from Irv Smith. Currently 163 people on the roll with 124 active, 14 life and 25 family. There are 98 members that are in the ARRL as well.

Treasurer report by Rex Ritz and Cameron Mitchell. Motion to accept by Paul and seconded by John. Motion passed unanimously.

Vice President Kevin Foto, KD5O, arrived and the meeting was chaired by Kevin and Larry.

Discussion on the president position being open and the problems that it is causing. Rex discussed the club checking account and the problem with the signatures since no president has been elected. The three signatories on the account are the

president, vice president and the treasurer of which two must sign the checks.

General discussion on about electing a president and what by-laws say about electing or appointing one. General discussion of the duties of the president and vice president. Meeting programs for the next few meetings discussed.

Several discussions on filling the president's position. Claude Sessions said that he would be willing to take over the vice president's position if it became open. Discussion on Kevin becoming president. Both Kevin and Claude agreed. Larry made a motion to accept Kevin becoming president and Claude vice president. The motion was seconded by John and the vote was unanimous.

Rex requested that the people authorized to sign on the checking account be put in the minutes. The three people are Kevin Foto, president; Claude Session, vice-president; and Rex Ritz, treasurer.

Kevin discussed having a homebrew night for a club program. Larry suggested that Kevin and Claude work on the program. Kevin said he will call Glen and check on the February program.

Larry and Paul discussed the meeting dates for the rest of the year for the general meeting as well as the board meeting. The general meeting will be the 2nd Thursday of the month and the board will meet on the first Thursday of the month. The only exception are at the end of the year in December with the dates moved to Tuesday. (A complete calendar will be listed in the newsletter next month).

Claude and Larry brought up the clubs records being audited. Larry said that we need to contact Randy Pollard, who has done the books in the past, and see if he would audit them again. Rex said that he would call Randy and check on getting the audit process started. The completion date was discussed with no date agreed on.

Claude said that he had applied for the first 6 months of 2002 for the space at the Sugar Land Community Center but has had no reply from the city of Sugar Land.

Claude presented information on caps, shirts, patches, and windbreakers. Prices were discussed as well as ordering information. He said that he will have order forms at the meetings and he gave a form to Cameron to be published in the newsletter.

John Whiteman brought up several items and they were discussed on bringing in new members. His three main ideas were;

1. To start an elmer net for the new hams in the area as well as for people who just listen.
2. A workshop program

3. Kit building - basic skills in kit building with kits such as a 1 tube transmitter kit. Larry went over some kit-building rules
4. Tailgate Sale for a program - discussion on the old tailgate sale that used to be held and the insurance requirements.

Mike brought up that the Monday night VHF net is being linked to many repeaters statewide and that the net control operator needs to know that the response times are slow on replies.

Paul brought up having fox hunts for a program and homebrew workshop especially for the younger hams.

Kevin brought up about approaching the Boy Scouts and junior high kids.

Mike brought up about approaching Houston Community College and putting an ad in their paper for testing, code and upgrade classes, and the B-VARC meetings.

Larry discussed about making a donation to the MERA group. Rex made a motion to make the donation. Kevin requested that the motion be tabled for the next meeting which was agreed on unanimously.

Motion was made to adjourn by Paul and seconded by Larry. Motion passed unanimously and the meeting was adjourned at 9:25pm.

Respectfully submitted by Mike Hardwick, N5VCX

RESULTS OF THE JANUARY 9TH B-VARC AMATEUR EXAMINATION SESSION by: John Moore, KK5NU

B-VARC sponsored and administered the ARRL's Amateur Radio Examination session that was held on Tuesday, January 9, 2001 at HCC Scarcella Technology Campus here in Stafford.

MEMBERS OF THE VE TEAM:

- Larry Jacobson, KSLJ
- John Moore, KK5NU
- John Dryton, KM5HP

A total of 10 examination elements were administered during the evening to five applicants. One unlicensed candidate received a new Technician license, one received a new General license, and one received a new Extra license; and one Technician upgraded to General class with the total number of elements passed being 9. The overall "pass rate" for the evening was 90%.

- Thomas Galetic - - Technician
- John G. Hackney - - General
- Michael L. Lloyd - - Extra
- Scott M. Shemwell - KD5LYL - General

Many thanks to all the Team Members and Assistants who volunteer their valuable time and effort each month.

All of us at B-VARC again thank everyone at HCC Scarcella Technology Center for making these excellent classroom facilities available to us for our exams each month.

 eMail: jwm@hal-pc.org
 www - <http://hal-pc.org/~jwm>

A review of the records for the past year reveal that the activity level of the Brazos Valley Amateur Radio Club's VE Team has been relatively high. Examinations were held on a regular

monthly basis on the Second Tuesday of each month for the year; with a special 'Upgrade Only' session being held in conjunction with the May 4th regular membership meeting.

A total of 177 applicant's were served; taking 203 examination elements over the course of the year. 152 examination elements were successfully passed, resulting in an overall "pass rate" of 74.87%. 28 Technician, 7 Tech w/HF, 32 General, 1 Advanced and 35 Extra Licenses were attained thru the teams efforts.

With the transfer of Father Vincent Orlando, WA5ETS to Tampa, FL in August, our 12 year affiliation with Strake Jesuit Preparatory High School was terminated; however, we were able to secure the use of the facilities at Houston Community College's Scarcella Technology Campus in Stafford for our monthly examination sessions.

B-VARC RAG CHEW Net Check-Ins for December 2000 by Sam Wilson, N5CPA

3.960MHz +/-3KHz Wednesdays at 7:00PM ←PLEASE
NOTE TIME CHANGE FROM 8:00 TO 7:00

Just WHAT IS the Rag Chew Net? Well it's a chance for you to get on the low bands and hang out with other B-VARC members, as well as hams from around the south central US! WHAT?? Don't have voice privileges? Got a short-wave receiver? Dial in and listen, then check in using the telephone number announced at the beginning of each net.
