To Whom It May Concern,

On behalf of the Cavalla Historical Foundation, I would like to thank you for your generous donation in the amount of \$100. Your gift will help us continue to move forward toward our goal of making the naval museum a much greater historical and educational resource.

The Cavalla and the Stewart are in better condition today than they have been since we acquired them, although additional restoration on the vessels themselves still must be done. We continue to need funding to allow us to add amenities such as a sound system to the Cavalla and the Stewart, to build a visitors center and to develop an educational program with emphasis on historical and scientific lessons. Your gift will help us meet our goals.

The Cavalla Historical Foundation is a 501(c)(3) charitable foundation, and your donation is fully tax deductible. To meet Internal Revenue Service disclosure rules for charities, the Cavalla Historical Foundation certifies that no goods or services were provided to you by the Foundation.

We appreciate your generous donation and continued support.

Yours Truly,

Jeff Morris  
Treasurer
